Disclaimer for content created by employees of the University of Freiburg:

The content of this website has been researched and implemented with a high degree of care. However, the possibility of errors in the processing and implementation cannot be fully excluded. Please send any remarks or corrections to the Office of Public Affairs or directly to webmaster@uni-freiburg.de.

Despite our care in designing this website, we can assume liability neither for its correctness and completeness, nor for information on it that is not current. More specifically, the University of Freiburg assumes no liability for damages or other consequences directly or indirectly resulting from the use of content on this website.

Disclaimer for cross-references and links:

In accordance with common law, the University of Freiburg is responsible for contents created by persons associated with the university. Such content does not include cross-references to content from other websites. This foreign content neither originates from the University of Freiburg, nor does the University of Freiburg possess any influence over the content of such third party sites.

The content of foreign sites with which the University of Freiburg is associated by links does not reflect the opinion of the University of Freiburg, serving merely as a source of further information and the description of connections.

These remarks hold for all links and references on this website as well as for entries in guest books set up by the University of Freiburg, discussion forums, and mailing lists. Legally responsible for illegal, incorrect, or incomplete content or especially for damages incurred as a result of the use of such information is solely the owner of the page the reference refers to.
